

Key:

**Vocational** – The professionally recognised qualification and training will enable you to engage in paid work in this treatment area and will include insurance for you to do so. The course will also include a marketing module to give you the best start whether you are marketing yourself to potential employers or attracting clients your own business.

**Leisure and CPD (continual professional development).** A professional introduction to the subject area (will enable you to practice with competence on friends and family but will not enable you to charge fees). All costs quoted are given per person.

To reserve your place, please call 01394 386161 with credit or debit card for deposit

### Equal Opportunities

We sincerely welcome male and female students of all ages. Given the hands on nature of some of the training we will however operate female only courses for the many. Please let us know any preference.
